# School Improvement Services (SI01)

## Contracted Consortium Service

CESA 5 can strengthen your established professional development planning or collaborate with you to develop a new plan to meet the needs of your district.

### The School Improvement Services (SIS) Consortium includes:

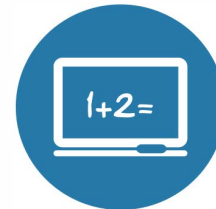

- Up to 8 in-district training sessions
  - Membership in each professional network
  - ESSA/WISEgrant application support
  - Discounted rates on related SIS trainings held at CESA 5
  - Subscription to A-Z Reading ([www.readinga-z.com](http://www.readinga-z.com))
  - Your district's inclusion in related grant opportunities
- \*SIS consortium days may be applied to use this ESSA/WISEgrant service*

### Educator Effectiveness

Whether you use the DPI or the CESA 6 model, we provide the training and support your staff needs to successfully implement your chosen system.

- Model-specific software support
- In-district support for teachers & administrators
- Effectiveness coach training
- Student Learning Outcome (SLO) training & support
- Classroom observation practice
- Customized support
- District calibration support

### Teaching & Learning

Get your staff the curriculum and instruction support they need. We provide targeted professional development in:

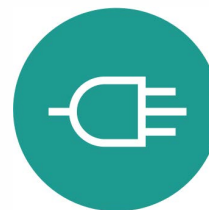

- Curriculum development and mapping
- Formative & summative assessment
- Instructional best practices
- ACT College & Career Readiness Standards
- Standards implementation in core subject areas
- Science, Technology, Engineering, & Math (STEM)
- Disciplinary Literacy & Leveled Literacy Intervention
- RtI & PBIS coaching & support
- Personalized learning
- Professional Learning Communities (PLC)
- Standards-based grading training

### Assessment & Technology Readiness

Our staff will assist you with the analysis of your existing data and help prepare your teachers and technology staff for the cycle of online student testing.

- Analysis of your local data
- State testing readiness
- ACT Test Suite readiness
- WISEdash & WISE Systems support

### Professional Networks

Learning from other professionals is an important part of being an educational leader. These professional networks are included for consortium members.

- Curriculum & Instruction Directors
- Core subject area teaching staff
- District Assessment Coordinators (DAC)
- Gifted & Talented Coordinators
- Reading Specialists/Title I
- Elementary School Principals
- Middle/High School Principals
- WOW events for all Educator Effectiveness models

## **SI02 - Curriculum Specialist**

The Curriculum Specialists at CESA 5 are available to assist your district with the following:

- Serving as your Title I Reading Specialist
- Developing local processes for curriculum, instruction, and assessment
- Analyzing & interpreting state assessment results (e.g., state exam, ELL testing, kindergarten screener)
- Providing updates on the state assessment or alternative assessment
- Offering technical assistance for curriculum software
- Understanding and implementing the Common Core State Standards
- Aligning curriculum to the State Standards
- Selecting high-quality curriculum resources
- Discussing best practices for core subject area and other specific disciplines
- Facilitating professional development on teaching methods

Our Curriculum Specialists can also provide customized professional development to help meet district goals and improvement plans.

## **SI03 - PI-34 Consortium**

CESA 5 districts recognize the need for collaborative efforts that improve quality teaching for new teachers and their mentors. The PI-34 Consortium will support the development and implementation of key components and offer districts support services in order to enhance local capacity to meet district requirements.

*PI-34 Consortium Membership Includes:*

- Support Seminars for all educators (teachers & administrators) to develop Professional Development Plan (PDP) goals
- Training for educator mentors
- Training for school staff to become certified PDP reviewers
- Review of Professional Development Plans

## **SI04 – Title III Consortium**

The CESA 5 Title III Consortium helps schools be aware of new regulations and best practices in teaching English Language Learners (ELLs). The Consortium offers: professional development, ELL Coordinator networking, ACCESS for ELL testing, ELL resources, email updates, and ELL program planning & monitoring.

*Please note:* Most CESA 5 districts are required to be in a consortium to receive Title III funding.

## Category: Coordinated Services (CS)

### **CS01 – Coordinated Services for Districts**

Are you looking for a comprehensive approach to address your district's professional development needs? CESA 5's staff will work with you and your leadership team to develop and implement a year long, interconnected plan for staff development.

Our staff has the flexibility and expertise to customize trainings and other services to meet your needs. If you have questions or want more information regarding how services can be customized for your district, please give us a call.
